# NEWON™ STOCK ILLUMINATED MESSAGES

*Out with the old and in with the new - NEWON™.*

For the brilliance of neon without the fragile glass and hazardous gases we offer NEWON. This revolutionary technology uses light emitting diodes (LED's) to create a lightweight, shatterproof, longer lasting and more energy efficient sign. NEWON signs get attention! Display one in your storefront as an open sign to start generating sales right away. All NEWON signs shown below are a slim 1-1/2" deep.

3283  
OEPN 6" Letters - 10-1/2"h x 25-1/2"w

3603  
ATM 6" Letters - 10-1/2"h x 25-1/2"w

3282  
OPEN 5" Letters  
25-1/2"h x 10-1/2"w

3605  
OPEN 6" Letters with 4 Color Ellipse  
17"h x 24"w

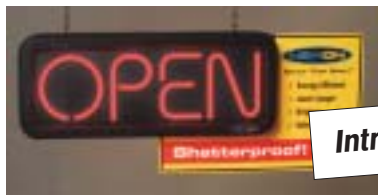

3284  
OPEN 8" Letters with 3 Color Wave  
14-1/2"h x 29-1/2"w

3633  
OUVERT 4-1/2" Letters - 10-1/2"h x 25-1/2"w

Storefront packages include a Point of Purchase display and promotional brochures with holder. Your POP display and product literature features the benefits of NEWON over neon and are ready to be personalized with your shop information.. NEWON brochures are great for counter top display or to distribute to your customers and community.
