

STANDARD MATERIAL COLOR SELECTION

VINYL Vinyl letters and logos are available reverse or regular cut, mounted to a variety of materials or sold individually

*Scratch Gold and Silver are not available cut smaller than 1/2". Scratch Gold and Polished Gold are not available reverse cut.
Etchmark - Frosted Vinyl is also available in all vinyl letter styles shown on page 29 over 1" as well as custom logos.

ADA APPLIQUE COLORS

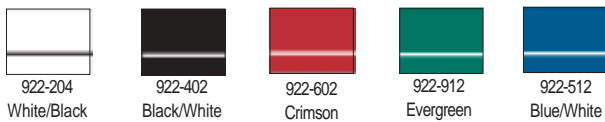

ADA applique colors feature background and letter colors available. 1/8" thick solid color backgrounds and 1/32" letter colors shown.

ENGRAVING STOCK

Standard engraving stock colors are for background panels/signs with engraved letters. Materials are 1/16" thick.

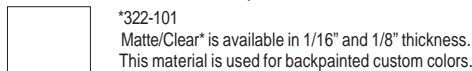

Laser Max - Mattes (Interior or Exterior Use)

The Metals - NoMark (Interior Use Only)

The Ultra-Mattes (Interior Use or Exterior Use)

THE STONE COLLECTION

Standard Colors

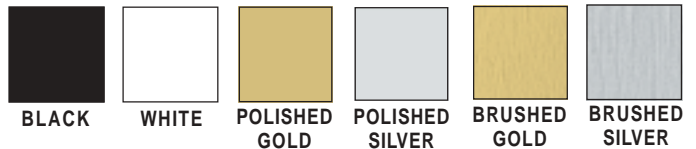

Premium Colors

TWO TONE/HOT STAMPED COLORS

The Two Tone colors shown below are used for molded plastic letters, ADA plaques and photopolymer. When ordering two tone letters, always specify the hot-stamped face color first and the standard base (side) color second.

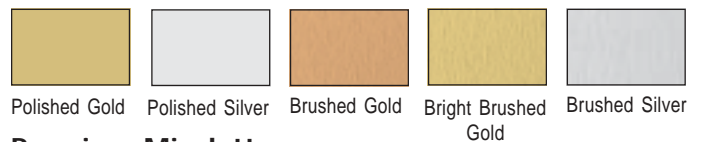

*NOTE - metallic gold and silver are not recommended for exterior use.

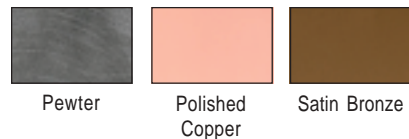

METAL MICA COLORS

Metal Mica colors feature laminates that can be mounted to Gatorfoam, Sintra, Acrylic or Scottcore. These materials are great for individual letters, logos or background panels.

Standard Micaletters

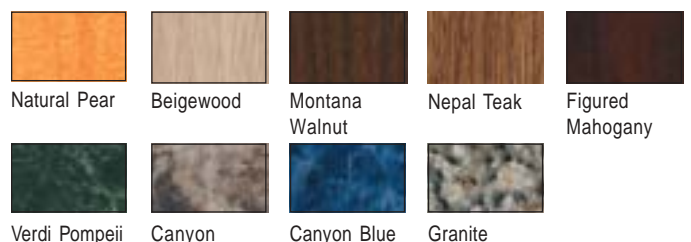

Premium Micaletters

SPECTRA COLORS

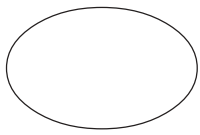

Spectra Colors are granite and woodgrain laminates mounted to Gatorfoam, or Scottcore substrates and utilized for individual letters (Spectraletters®), logos and background panels.
